Mark Stanley Kirkholm, age 66, of Storm Lake, Iowa passed away Saturday, August 6, 2022, as the result of a motor vehicle accident.

Mark was born on May 29, 1956, to Stanley and Bonnie (Olson) Kirkholm in Cherokee, Iowa.

Growing up, Mark attended school in Ida Grove, graduating in 1974. He pursued his college education at Ellsworth Community College where he received his degree in 1975. After college he returned to Ida Grove where he was employed as a radio operator for the Ida County Sheriff's Department, as well as serving on the Ida Grove Police Force and as a park ranger for the Ida

County Conservation Board. In 1977 he joined the Alta Police Force for a year before relocating to Storm Lake, where he met his future wife.

On September 20, 1980, Mark was united in marriage to Nelda Ulrich at the Church of Christ in Storm Lake, Iowa. From this union they were blessed with two children, Kristin and Tyler.

Mark went on to join the Storm Lake Police Department from 1979-1999 where he spent a majority of his law enforcement career as a detective. He served on the state review committee for the MOCIC Board and the Iowa Law Enforcement Intelligent Network during his tenure in law enforcement.

In late 1999, he retired from the police department and joined Buena Vista University as the Director of Security. While security was his primary responsibility, he eventually assumed the position of Dean of Students as well. Other roles he served while at BVU were assisting Dr. Robert Blodgett with Freshman Seminar courses, advisor for the Outdoor Rec club, assisting Dr. Rick Lampe with the Stream Conservation/Fly Fishing course, as well as accompanied several adventures to South Africa. Mark retired from BVU in 2017.

After his retirement he obtained numerous side jobs to help support his love for adventure. He enjoyed working for CVS Pharmacy/Martin Health, Simmering-Cory, the Buena Vista County Medical Examiners, and the June E. Nylen Cancer Center where he truly relished in meeting and conversing with patients he transported to and from Sioux City.

Over the course of his life he was especially proud to be a member of the Big Brother/Big Sister program, the Buena Vista County Trumpeter Swan Restoration project, Ducks Unlimited, the Buena Vista County Conservation Board, and taking part in the Wounded Warrior Elk Hunt. Mark also had a

passion to volunteer his services to those in need in the community by helping with the local food drives and delivering Thanksgiving meals.

Mark loved the outdoors and was always ready for his next big adventure. He enjoyed fly fishing the driftless region of Northeast Iowa and multiple mountain ranges of the West, as well as fishing in Alaska. Another love of Mark's was hunting various Iowa game, but he could never resist annually applying for points to get that big trophy elk hunt.

Mark's biggest joy was his family and his treasured time with his grandson's, Gavin and Nolin. He will be greatly missed by all those who knew and loved him, especially anyone who went on an adventure with him. Mark had many, many stories and a contagious laugh. He has certainly left this world too soon but had undoubtedly surpassed his 9 lives, as many of us know. We know he will continue his adventures on this new quest of fishing and hunting in his eternal life.

Mark is survived by the love of his life, Nelda Kirkholm of Storm Lake, Iowa; children: Kristin (Justin) Anderson of Alta, Iowa; Tyler (Ken) Kirkholm of Des Moines, Iowa; grandchildren: Gavin and Nolin Anderson of Alta, Iowa; parents: Stanley and Bonnie Kirkholm of Lakeside, Iowa; brother: Grant (Coleen) Kirkholm of Larchwood, Iowa; sister: Julie (Mark) Reis of Runnells, Iowa; extended family and many friends.

Mark is preceded in death by his grandparents, Ray and Veva Olson and Jens and Gladys Kirkholm.

“ Mark and BV chaplain Ken Meissner and I led a mission trip to Biloxi, MS to help with the cleanup of Hurricane Katrina. Mark was unflappable, expert in his ability to lead a team doing construction and such a positive force. He loved students and met every challenge with a smile. Mark and Ken were amazing travel companions...and I always felt safe knowing I was traveling with someone licensed to carry a 45;-) He made the transition from police force to BV as tho he were born to work with students. He made BVU a better place. Thank you Mark.

“ *My deepest sympathies to Mark's family! Mark was always the most confident person I knew and every time I saw him he was happy and you could recognize his laugh anywhere! There would sometimes be a long period of time between seeing him and we could always pick up right where you left off and he sure knew how to give ya some shit! He was definitely one of a kind and I am so very sorry for your loss! I know he did a lot for the community and touched a lot of people's lives. I hope you can find comfort through everyone's messages and knowing how he affected other people. Rest in Peace Mark and God Bless to his family!*

“ I met Mark back in 2011 when I started working at BVU. In the beginning, I struggled to understand his perspective. Mark often approached situations by seeing it through multiple lenses, he lavished by operating in the shades of gray and not giving concrete answers. The first year I worked with him, this drove me nuts! After spending more time with him, I found myself growing from his institutional/regional knowledge and his unique perspective. I became more comfortable in not having solid answers. This even resulted in me occasionally using the term “appropriate exceptions”, which undoubtedly came from his influence. Mark was a great mentor, supervisor, and a kind friend that will be missed by so many who had to opportunity to get to know him.

“It depends.” This was Mark’s signature rejoinder. For Mark, there was never a simple yes or no, black or white, good or bad. Answers are always muddled, ambiguous, and gray. As former director of campus security at Buena Vista University, Mark analyzed every tricky situation from all possible angles – whether adjudicating student judicial cases, or logistical planning for distinguished guests of the university, or tabletop exercises for campuswide emergency training. He had an uncanny knack to set forth complexity with clarity, an irreverent style and a wry sense of humor. Mark was trusted by all for his unflinching willingness to tackle ambiguity at every level. Mark was a great colleague and faithful friend, and will be missed beyond measure.
