“ I am so sad to hear of Mary's passing. She was always so positive and focused on making others feel loved. I first worked with her as our New Orleans Credit Union's investment broker in the early 80's and eventually moved to San Diego to work for Mary as her assistant for almost 4 years in Encinitas. We had recently rekindled our friendship after so many years but I just found out today about her passing away. I will say prayers for her lovely family at this time of such a heartbreaking loss. I know that Mary is in Heaven and at peace. Evelyn Garvey

“ Miss this sweet woman so much. Praying for her family and friends as we move through this world without her. Every time I listen to "Throw Me a Party" by Rita Wilson I totally think of her. Love our precious Mary and so grateful for her beautiful spirit that still lives on in all of us who were blessed to have known her. What an amazing example for living life with kindness and compassion.

“ *Mary was such a wonderful and kind person! I had worked with her for years. She would add that personal touch like you were her only client! She was always positive, upbeat and enjoyed life. You could tell when she talked about her family and friends that she was smiling. She will be sadly missed by everyone she touched.*

“ *I had worked with Mary for years and years. Every year around Christmas time, she sent us the most beautiful cards that we could then share. She is such a beautiful person, always doing her best to find the good in what can be a dark world. I am so saddened that her light is gone from this world. But, know that Heaven is rejoicing at having her there.*

“*Mary was a beautiful sweet light in this world. She was always striving to be so thoughtful and in tune with her journey through this life. I know she is now dancing in every ray of sunshine and every sweet breeze through the branches. Embracing every element in God's artistry in nature. She was a true blessing and inspiration and will be greatly missed and always, always so lovingly remembered.*
