“ Mavis had an aura of love around her. One could feel it when in her presence. She was a beautiful soul. When Marlene found her birth family, Mavis and Marlyn embraced us as they did Marlene when my sister could not raise her. My parents considered Mavis and Marlyn as their 10 child and the others of us as our sister and brother. Mavis and Marlyn came to anniversary and other celebrations in Kansas as we all celebrated as one family. We loved them. We could not believe our luck in having this couple adopt our baby whom only a few of us knew about. Thank you, Mavis. You are loved.
