“ *Micky was such a nice person. I so enjoyed talking with her, when I visited her (which wasn't often enough). She loved to watch her ballgames when she could. I could always see how much she liked her butterflies, and the many gifts of those in her rooms. We went to Church at Trinity with her and Bob, and followed them many times to the Pantry after! And so many years after, when I did visit, she would always ask me about Justin and Gabe, how they were doing, where they were. She was always so interested. And she loved her children and grandchildren and greats , and would talk about them too. For a lady who had health struggles so young in life, she just always seemed happy, in her many years after. Micky, I am so honored to have known such an amazing person, and as I see butterflies, I will think of you* ❤️

“ *I have very good memories when living neighbors to Mickey & Bob in 1957. She was such a devoted wife & mother. She was a good influence as a stay at home Mom to us as we were just starting or family. Gods Blessing to the family.*
