“ I am not sure why our lives crossed...but they did. To Melissa's family...I am so sad for your loss, but thank you at the same time for sharing her! She is a beautiful, kind, giving lady. Even though you cannot touch her or hear her, I know without a doubt she would not have left this earth by choice. She loves you...forever. When the time comes and you need her...listen...deep in your heart...she is there, watching, keeping you all under her angel wings.
