“ *Before you left Texas we promised each other a road trip . An adventure somewhere that was beautiful and snowy. We both decided neither one is very graceful so we would just sit in front of the fireplace and cheer when the skiers wiped out. I can't believe you went on this amazing adventure without me. I tried to get you to stay with me but I understand about family. I know your with family right now and I promised you I'd look after Jasmine and you know I will. It's gonna be lonely without you friend. Stop in from time to time. You were a good friend, a great momma and had a weird sense of humor which always made me laugh. I will miss you.*
