“ I also lived at Lakeside in-between Dorla Hill and Leanne Smith. . Myron and I shared the same birth date. In grade school I noticed what perfect penmanship Myron had. We were at the "Little Store" one time and Myron remarked how he liked my ponytail. For some reason I never forgot that. He was a gentle person. ....I'm sure he was a very good teacher and will be missed my many.

“ Rest in peace. Mr. Nourse. You were a great teacher with high expectations. You taught 9th-grade science, and I really had to study to pass your final. Got an A thanks to your study guides. Loved your car. I think it was an AMC Pacer.
