“ Dear Teri, Sandra & family,

We're very sorry to hear about the loss of your precious Mom, Naomi and wish you & your family our deepest condolences.

Don has fond memories of your Mom when he was growing up. And we both had the pleasure to visit with her when we were in Iowa about 7-8 years ago.

When we drove from Iowa City to Storm Lake, I recall that Naomi wasn't home & a neighbor said she had gone for a bike ride.

When Don went to her home a second time, we discovered that she had returned from a "motorcycle ride" not bike ride with a friend.

During our visit, Don & your Mom spoke about old times and talked about your Dad & the two of you. I believe Don's grandparents lived close by where his Dad, Bruce had grown up.

Believe me, I understand that it's harder said than done but try to remember & cherish all the good times & happy memories with your Mom.

She will forever be in your hearts & watching over you as an angel.

I lost my Mom five years ago...and sometimes can feel her presence especially when I'm working in my flower beds.

May God bless you & your family during this difficult time.

Love,

Valerie & Don Shaeffer
