On April 23, 1931, Nels Walter, fondly known as “Wally” was born to John Albert and Hilma Julianna (Carlson) Johnson in their farmhouse in Washta, Iowa, where he lived the remainder of his life. His parents immigrated from Sweden, making Wally a first generation American who cherished his Swedish roots and embraced his American heritage. He was baptized at Augustana Lutheran Church in Sioux City, Iowa. Growing up, Nels attended school at Fairview Country School, graduating from Holstein High School in 1949.

Nels was drafted into the United States Army where he served active duty from June 13, 1956 until March 12, 1958. Upon his discharge from active duty, on March 13, 1958, he was assigned to Charlie Battery in Cherokee, Iowa, where he attained the rank of First Sergeant for 18 years. His final two years were spent at Headquarters in Sioux City, Iowa, retiring on March 1, 1978, as an E8 Master Sergeant.

On March 3, 1973, Nels was united in marriage to Joyce Carole Riessen at the United Methodist Church in Denison, Iowa. They were blessed with two children: Nancy and Steven.

Wally was a lifelong farmer where he thoroughly enjoyed feeding and raising cattle for many years. He supported conservation by being a SWCD Commissioner and Regional Director for CDI. He was a member of the United Methodist Church in Holstein, Iowa and had served as Chairman of the United Methodist Church in Washta, Iowa. Wally was also

a member of the Little Sioux Masonic Lodge for over 71 years. He served as the Douglas Township Trustee/Clerk, FSA Board, Red Cross Board, and American Cancer Society. Additionally, he was a life-long Democrat, serving as Ida County chairman for many years. Any chance he got, he loved a game of cards whether it be with family or friends. On Friday nights, Wally enjoyed visiting the casino. He will be dearly missed by all who knew and loved him.

“ *Joyce and family, Please accept my profound sympathies on your loss. I served with and under 1Sgt Wally in Charlie Battery from 1970-1976. It was not a popular time to be in the military, many of us were compelled to be there because of the draft. 1st Sgt Johnson was strict and many did not understand that all he wanted was for us to do our duty, to be ready, and to be as safe as we could be if we were ever called up. I saw Wally a few times after discharge and he was always friendly and ready to talk. There is a special place for soldiers in heaven, rest in peace my friend.*
