“ *Even though we haven't seen each other much over the years, I always knew you were around. There is a void in my heart knowing you left this world much too soon. I am glad that you are out of pain and that you are able to continue your life journey in heaven. I miss you and love you.*

My heart is broken for Greg, Uncle Bob, Pam, Barb, Heather and Jeremy and each member of their families.

May you all remember her quick wit, her easy laugh, and her loving heart.

With all my love,

“ *Condolences to the family and sympathies for your loss. Patti went to school with me in Jackson and graduated with our class. It was easy to remember her smile because she always seemed to have one... no matter what. We were not close friends, but we did like each other ... she was always so nice. Prayers for you all.*
