AH

I wish blended families wouldn't of been so taboo in the 90s I would've been in more pictures, and it sucks as a mother with kids of my own I couldn't imagine.

“ This was along time ago, when me and sue lived together polyinnaianse apartments and I don't remember at time they were going out, this was around 1989 and I was home alone and I don't know if they had a argument or something, but peter came over I wouldn't let him in and that little stinker climbed up our balcony and I forgot to lock it. Peter went in sue's room and wouldn't come out, so I called my mom dad and they came and talk to peter. he lefted and said he was sorry.Lynda
