Mom loved working at BVU. She thought the world of you, the faculty and staff. BVU was her second family. Mom did have a great sense of humor. Her laugh was contagious and will be missed. I enjoyed hearing her tell about the preparations for the events at BVU ... the speakers for the American Heritage Lectures; some of which she was fortunate and honored to meet. Preparing for graduation, expanding, remodeling and most of all the fun stories she shared interacting with everyone, including the students. Mom had a special place in her heart for everyone at BVU. ~ Becky (daughter)
