“ Miss Becky. The best!

Remember being a kid and being super scared to go to doctor but also super excited because you got to see Becky and Darrell? Becky's Far Side comic strips at her desk were always the best of far side comic strips. Just like her. The best. The best laugh. The most welcoming smile and demeanor. She ALWAYS made me feel cared for. At the clinic or in town. Her happiness was infectious and your bad day (whether it be because you were at the doctor or you were having a bad day when you saw her in town or at the golf course), was a bad day no more.

What an AMAZING spirit. What an incredibly great human. What a blessing it was to know Miss Becky. To feel love and care from Miss Becky. I feel incredibly lucky that my mom had a friend like Becky because that meant Becky treated me like I was part of her family. I have a feeling though, she treated everyone she loved like family.

Thank you for all the love and joy and laughter you brought to this world. So many smiles. So much love. You will be greatly missed.

Fair Winds and Following seas to one of the greats!
