“ I started babysitting for Rick when I lived in Storm lake he was a wonderful and nice guy he will be miss by all who loved him. Found a cute little poem (I try and cope the best I can But I'm missing you so much If I could only see you And once more feel your touch. Yes, you've just walked on ahead of me Don't worry I'll be fine But now and then I swear I feel Your hand slip into mine.)
