“ *So sorry to hear of Bob's passing. My sympathy and prayers to all of the Peck family. We had many fun times growing up around the Peck household, from shooting hoops all day and night to taking turns with Bob, pitching to him in the driveway. He was always a positive motivator when we were getting ready to play in any sporting event. His classic saying when you were doubting yourself or your capabilities -- " They put their pants on the same way you do, you have nothing to worry about, just go out and play ball " All of us in the neighborhood and beyond were fortunate to grow up around the Peck household. Thinking of the Peck family at this time.*

“ So sad to hear of Bobby’s passing. So many memories over a 50 year friendship starting in the early seventies at the legendary Melody Lanes bowling center and culminating these past 8 or 9 years with many rounds of golf at Kings Pointe. One of my favorites is playing a round with him on the last day of the old municipal course before the renovation. We both birdied the old # 6 and ended up tied for the day with 39 strokes each. As fun a guy to bowl and golf with that I have known. So well thought of by all that were fortunate to have known him and his extended family. RIP my friend and thanks for the many years of memories and friendship. Thoughts and prayers for Bob’s family. ☐

“ *Dear Peck Family-please accept my sincere sympathy at this sad time. I have only the best memories of your family when I was teaching band at St. Mary's. It has been fun reconnecting over the years as well. Know that you are in my thoughts and prayers.*
