“ *I don't remember the year John and Robyn purchased the house next to Larry and me at Lake Panorama, but I do remember we became fast friends. Favorite times were sitting together in our gazebo or their back porch. John's death was a blow, yet in her grief, Robyn stayed strong in her faith, knowing she would be with him again someday. In January 2012, she visited us for a few days in Tucson, and we did two of her favorite things - played golf and shopped! After she sold her lake house, we kept in touch with texts, emails, and lunches when she was in Iowa. She always was upbeat, practical and down-to-earth—a wonderful friend. I'm grateful I was able to see her a couple of times in her final weeks. Kudos to her family, who made it possible for her to return to the place she loved, and live out her final days surrounded by her precious grandchildren and children. Rest in peace, dear Robyn.*

“ Kelly and I met Robyn 7 years ago in Venice Florida where we lived at the Venetian Golf and River Club where she also spent her Winters escaping from the Cold. We got to know Robyn well and spent many evenings with her at various Dinner Parties, River Club Events, Dances, and of course Super Bowl Sunday's for the past 5 years. She will be sadly missed and we extended our sympathies to her Family and her Friends at this time of loss.

“ Robyn and I became best friends shortly after she moved to Storm Lake when we were in high school. Every morning she would pick me up in her vw bug! She went on vacation with my family and we spent many nights planning out our future - we were going to go to business school! But then some cute guy named John came along and you know the rest! There were many years we didnt see each other but somehow we always reconnected and she was one of my best friends. She and John were so good to my mom. I will miss you sweet friend. Love Nancy
