“ When I was 12, I got drunk and stole a bike with a friend. Roger picked us up. He said I am taking you home. I said please take me to jail I was more afraid of my mother. He took me home and stayed with me to talk to my mother. He calmed her down. We were neighbors, so she knew him. I am forever grateful for that. He was a great guy. Patricia Nelson

“ I had the honor and privilege to work with Lt. Roger “SLPD 804” Meyer on the Storm Lake Police department from the day I was hired to the day Lt. Meyer retired in 1998. Lt Meyer took this 22-year-old kid under his wing when he was hired by SLPD fresh out of college. LT. Meyer taught me how to be a “GREAT” cop and how to serve and protect the people we served in Storm Lake. He taught me the importance of caring for people, treating all people with dignity and respect. He also taught me many life lessons. The lessons that Lt. Meyer taught me I passed onto the many police officers that I had the opportunity to help train across the state of Iowa during my career in law enforcement. I am proud to say that Roger was my Lieutenant, leader, teacher and mentor. But most of all he was my FRIEND. Roger thank you for all you taught me and for your friendship. When I say that I am waving to you in way only you and I waved to each other. “Only those that know will know”. They will crack a smile as they picture the ERSKINE/MEYER wave in their minds eye. I know you are smiling as you see I am waving to you. I am smiling as I know you are waving back to me!!
Until we meet again!!

“ During the pandemic I spent time at the Meyer home! Roger told me all I needed to know about deer, drying deer meet in his oven, and great conversations about something I had no experience doing! Kay and Roger were so good to me when I moved here from Des Moines. Rest in peace my dear Roger, you were a good man!! Love,
