“ Miss the times when Roland was DJ at Malarkys. I remember some nights id go to the bar do my rounds saying hi to everyone and then sneaking him a beer as I sat in the DJ booth with him asisting in song requests and talking till closing time. He had so many great stories and shared his wisdom. Times like those meant a lot to me. He was truely a great friend.

“ I sure wish I had the videos from Haunticon last year. After listening to Roland tell stories of each and every piece of equipment you guys had with so much excitement and then later on at the after party watching him and Emmett singing and dancing and just loving life like no one I have ever seen before, it was truly heartwarming. I may not have known you guys for very long but the imprints left on my heart will last a lifetime. Rest in peace friend, you will be very missed❤️

“ Roland was the only one I wanted to wait on me at US Cellular. Others would say I don't know, guess you'll have to buy a new one. Roland would actually take the time to fix the problem and away I'd go. He was smart, friendly and just an all around caring person. You will be greatly missed. RIP

“ I lit a yellow candle today for Roland because yellow symbolizes happiness, optimism, enlightenment, and creativity. I can't think of a better color to commemorate Roland- he was all of those things!

I met Roland a few years ago at a paranormal expo and he made a lasting impression right away with his eagerness and excitement. I've so enjoyed getting to know him better, participating in expos with him, and sharing ideas and theories. I enjoyed watching his online investigations and shows and just became very fond of him and Cynthia both.

I think the paranormal community has lost a very special member and his loss will be felt for years to come.

All my love to his family.

“ Cindy, I was so shocked to hear of Roland's death. He was such a great man and entertainer. The first time I met him was karaoke at Malarky's. He was always the first to say hi no matter where he was. He will be missed by all. I pray you find solace in the Lord. Roland will be missed.

“ I have known Roland or as we called him Rolo since we were 15 years old, I have so many memories with him growing up, he was very funny and loving, he would make me mixed tapes and write me poems and leave them for me to find. I still have one in my senior memory book called “my teddy bear”. We always had each other to talk to and had keep the friendship going even when he left California. We both loved music and he loved to dance, he went with me to a lot of our school dances. In most recent years the calls turned into late night drunk dials after DJ at Malarkys, it was still always nice to hear his voice. I am so happy he found a loving wife and friend in Cyndy. I loved watching all your adventures on Facebook. I will forever miss you and never forget you my friend, until we meet again. God bless.
