“ A few years back I acquired a little yellow car to use as a lawn ornament in my front yard. A tattered registration paper on the floor of it had the doctor's name on it. I always meant to get in touch with him and let him know how much I enjoy it and that people passing by pulling my driveway and look at it. When I looked him up today I found he had passed away. Sorry to hear that. But now he can visit the car whenever he wants

“ Just read of Docs passing. I'm so sorry for your loss. He removed my tonsils, and I feel he saved my baby's life and mine in 1975. Without him, I truly believe the 2 of us wouldn't be here. God bless him and all his family. We lost a great doctor and a super sweet man. God rest his soul.

“ Storm Lake Municipal Band will be different. I met Dr. Dierwechter in about 1986 when I was the band director at St. Mary's. It was fun to see him when I played again in the 2021 season after moving out of the area. Please accept my sympathies.

“ *Dr. Dierwechter was wonderful to work with at the hospital in OB. No matter what time of day or night we called him to come deliver a baby he came with his easy smile and kind words. He brought a sense of calm and kindness every time he entered a room. Dr, Dierwechter and Jewell shared their expert medical care, kindness and faith all over the world and here in Storm Lake. Thinking of you, Jewell, and your family. May your lifetime of memories comfort you each day. Sincerely, LuAnn Hott*

“ What a wonderful man Ron was, skilled surgeon who dedicated his life to helping others here and in war-torn countries, helping anyone in need. Skillful builder, caretaker of gardens and the family farm, a Christian man. We will miss you and your generous efforts to make the world a better place.
