“ *One of my favorite memories as a child with Aunt Rose Mary is when she would take me and my sisters every year to Santa's Castle in Storm Lake. My favorite adult memory would have to be our Thanksgiving shopping trips. We gave new meaning to "shop until we drop." Even in her later years, Rose was able to outlast most of us! Our shopping trips won't be the same without her. Rest in peace, Rose Mary, until we meet again.*

“ RoseMary...Would be pleased to know all the kind words people have said to me about her. This tribute was from one of our competitors. "Today's world could use a lot more Rosemary's someone dependable and did her job and stuck with your company for so many years. Joe". One particular fond memory was when we decided to take a Computer Course to learn how to use one. Little did we know it was a Computer Programing Corse! RoseMary picked up on it right away. She was able to help everyone in class. We laughed about that often, and never once did we write a program! RoseMary was a Clothes-Horse! I could always depend upon her to let me know what was in and what was out. I was mostly out and she was ALWAYS IN! RoseMary was Fearlessly Loyal. She was a perfectionist. She ALWAYS balanced! In our 40 years of friendship and working together, she never ever said a swear word. RoseMary had a strong faith. I will miss always.
