“ *Please accept my sincerest sympathy. I had the opportunity to get
to know Sherry when I was in high school. She was very
compassionate, caring and understanding. I appreciated her more
than I likely ever expressed to her. We recently lost my father, so I
understand this road of grief. My thoughts and prayers will be with
you for strength and peace in the days and weeks ahead.*

“ Bill, Andrew and Hannah: It saddens my heart to hear of Sherry's passing. What a strong woman she has been throughout her life. I know she was proud of her family and that she loved her life. She was an inspiration to many with her "can do" attitude. I have known Sherry since she was a little girl. My family and her dad, mother, Sue and Sherry lived next to us for many years in Storm Lake. Her smile would light up a room and her genuine compassion and kindness to others shone through in everything she did. All of you are in my prayers and thoughts. What a blessing to have known this wonderful gal. Hugs of comfort. May you find peace through your memories. Roberta Harris

“ *We will miss Sherry -- your precious wife and mother. My daughter Claire had Mrs. Zinn in preschool at First English as a three-year-old. Once, we saw Sherry at Hy-Vee while grocery shopping. Claire tugged on my shirt and said; "Mama, there's my snack teacher." (Mrs. Zinn must have always passed out the daily snacks.) I told Sherry of the funny recognition and asked: "Aren't you glad you have a degree from college in snack distribution!?" We laughed heartily. Sherry had the BEST sense of humor and showed such great gentleness and kindness to the children she taught. - Susan Christensen, Royal*

“ *I remember Sherry from a "few" years back, when you ran Happy Joes. Our paths crossed often through the years and she was such an amazing lady. We worked together at First English Preschool and she would get sweet corn from us every summer. When we did broiler chickens she'd get those too and tell me, "We had supper on you last night" meaning they had chicken and sweet corn. Still makes me smile.*

We were so sorry to hear about Sherry. I had the privilege of having sweet Hannah in school. She was a dear and Sherry and Bill were such great parents. Sherry was always there to give a helping hand. She was such a supporter of Fairview School. After nearly 20 years Andrew, Hannah, Bill and Sherry would come to our door every year with the Christmas cheese ball. Sherry will be missed by all the caring and love she showed to many people. “ I was very sad to learn of Sheryl's passing. She and I were classmates in Storm Lake and I remember her as a very kind person with a good sense of humor. Even though I have not seen Sheryl for quite a long time, I feel like I got reacquainted with her over the past few years. I had the pleasure of meeting her daughter, Hannah, while she was a student at Buena Vista University. Hannah is an outstanding person --- and it sure seemed to me --- as the old saying goes --- that the apple didn't fall far from the tree.

May God bless Sheryl, her husband and children.

“ *Sherry will be so deeply missed! She had the kindest heart, the softest demeanor, and a very strong soul! My dad was their mail carrier for years and as a kid every Christmas I would look foreword to the Sherry Zinn Cheese ball she would give him to bring home. She looked after our special friend Erma who lived next door to them, and I enjoyed working with her as she audited all my files, at all of our different properties throughout NWIA, I think we ate lunch in 8 different towns one summer. Sherry was one of those rare genuinely good people that you are honored to know. Bill, Andrew, and Hannah, May God Bless you with peace during this most difficult time, may you find comfort in knowing what an amazing life Sherry lived and what an amazing role model she was in our community! God Bless!*

“ Sherry was the best social worker I had for my foster children. She was very professional, but her heart was for the children and what I had plans for them. She was easy to work with and had a very compassionate nature. We worked together very well and I came to regard her as a special friend for years. I appreciate all the things she has done for young people in trouble. She was indeed special.
