*I remember Terry visited my mother (his aunt) at her farm on many occasions which made her very happy. This is how I will remember Terry as a caring individual who made it a practice to visit my mother as she was in her later years in life.
RIP Terry and God be with Patty and your children during this most difficult time.*

“ I am so sad to hear the news of Terry's passing. He was one of a kind, he went out of his way to be kind to others. He would go visit my mom when she was in Assisted Living, she always enjoyed his visits. He didn't have an easy time with his help, he was a fighter. Rest In Peace, Terry, you will be missed. Thoughts and prayers to his family.
