“ My sympathy and prayers are with you all. I had the opportunity to visit with Tim and his sister, Patty when they were out and about on the golf cart. He was driving and was in seventh heaven. He was having so much fun, and Patty was loving that time with him, as much as he was enjoying it with her! Such a great smile he had as he was ready to take off! His personality was shining through that day! And Patty was hanging on tight!! May God bless you with many wonderful memories.
