“ *From the first moment I met Tim, I knew he was a great man. It didnt take long to see how great a husband and father he was as well. He was always eager to learn new things, but to also share his vast knowledge and wisdom with everyone. Honestly, I can't come up with the right words to express my gratitude to Tim and Paula for allowing my son and I to, for a short time, be a small part of their family. It was an honor and privilege to get to know you both. Tim will be missed and we are so sorry for your loss. May God bless and comfort you all in this time of mourning and celebration of his life.*

“ We sure enjoyed going to sporting events, even when our kids were on the opposite side of the court or field, Tim always had the time to say hi, check in on everyone! His love for watching his kids play in sports was very contagious. May Tim Rest in Peace, and may each of you find comfort in the wonderful memories that consume your hearts!

“ I was blessed to have Tim and his boys in the classroom. Tim was such a hard worker and was always so willing to help others. He raised his boys to also always work hard but not to forget to be compassionate at the same time. We prayed for Tim and his family daily after we found out he was sick. Tim fought hard and always had such a positive attitude. The Lord got a good man. May peace and understanding come to all his family as they remember what a gift he was to you and so many others.

I have had a sad, heavy feeling in my heart since hearing this Sunday morning. I so remember being a speaker a Relay for Life, and then having Tim also be a speaker, not many years after! Your family were all huge supporters and team members of his fight! You just had to love that guy.... his humor....giving you crap.... and yet, it made you laugh and smile. He will be such a huge “void” in this community. Hugs to his family..... Kim WALSH, aka “Gladys” per Timothy!!!!

“ I will always remember Tim's booming voice and that he could also sing like an angel. I am sure that Lee and Joann were waiting with open arms to welcome him to Heaven!! Take comfort in knowing that he is no longer in pain and that you will be reunited one day.
