*We Remember you when flowers bloom, Early in the spring
We Remember you on sunny days, in the fun that summers would
bring.*

*We Remember you in the fall, as we walked through the leaves of
gold.*

*And in the wintertime, the memories we made through out our lives,
in the stories that are told.*

*But most of all we remember you each day- right from the start, you
will be forever near and live within our hearts.*

“ So sorry to hear of Velma’s passing. Special Sympathy to her family. I met Velma 10 years ago while serving the citizens of Rembrandt, she was a very nice lady. Always had nice things to say and like to offer her services if ever needed. She would like to watch for any criminal activity in Rembrandt and would let me know of anything. God Speed Velma.
