“ I am sending belated ‘heartfelt’ condolences to the Anderson/Carlberg/Coalter families. So sorry for your loss of such a ‘classy’ lady. I remember growing up whenever the the Anderson name was mentioned every commented you mean Bill & Viv always in the same breath. I will be more than honest if I’m not upset that this Sympathy is just reaching the correct memory location and that I had used an incorrect one shortly after Cousin Ron informed me of sad news-that will not happen again, but glad I went back to let the family know how Helen & I wanted to pay our respects to our families that is only proper remembrance of a family’s loved one as Vivian was.

With Deepest Sorrow & Remembrance;

“ Shirley and I have know Vivian for a long time. But we really got well acquainted the last few years spending much time together especially eating after church and other events. We also spent a lot of time together in Palm Springs, CA just enjoying life and each other. The last months she had a lot of pain but had a tenacity to get out and enjoy life and friends. we will miss her a lot.

“ Shirley and I had known Vivian for many years but grew much closer the last few. There were many shared meals, like after church on Sunday. And they came to visit us in Palm Spring, CA many time for 3-4 weeks which we all really enjoyed.

We grew to appreciate her tenacity the last few years, when, even with consistent pain, she was out and about and cheerful. And she had a lot of friends that she always had a word for. We will miss her but we know she now is where there is no pain.
