“ My condolences to all of Bill's family. Such sad news esp. since he was so young. His mother, Luella, was a first cousin on my Stepanek side of the family and his dad's brother, Merlin "Sam", married a first cousin on my mother's side (Tech) of my family. So, as you can see, we have a double connection, making for twice the loss. Although it has been years since I had seen him, he was an important part of the family. May memories keep him always in your hearts.
