“ I'm so sorry to hear of the passing of your Dad. But now he and your Mom are together again. He was a great man. What I've always known of him is he liked to joke around with ya and was laughing and enjoying life. He loved people and really enjoys going riding on the bike. I'm sure that they loved their trip to Sturgis, I believe it was, on the trike. So much easier on us old folks. Lol. He will be missed by many. RIP Willie. You are free now. Until we meet again.
